

Warm greetings from snowy Fort Collins! We have experienced a blessed 2009 full of deepening friendships and growing closer to Jesus, those two experiences being closely entwined.

Elliot is in 3rd grade and enjoys reading, soccer, and games. Grace is in 1st grade and likes doing all kinds of crafts, reading, and gymnastics. Both kids love to play outside with neighborhood friends.

Jim is still with Intel. Iris volunteers at the kids' school. Both parents love getting together with friends, too. We talk about God's Word and pray and share life together.

May your 2010 be filled with love and truth and friendship!

Jim, Iris, Elliot, & Grace McCormick
