

Merry Christmas from New Providence, New Jersey!

We love our neighbors, the neighborhood, the town, and our church. Gary calls Linnea "the neighborhood glue." She enjoys stamping hand-made greeting cards and learning Spanish from her friends.

***The Presbyterian Church at
NEW PROVIDENCE***
Christ Centered People Focused

Linnea is busy with women's ministries, and she helps a lot around the church. Gary sings in the choir, attends the men's Bible Study, and enjoys taking photos. We love teaching the Youth-club Bible class for sixth graders. The kids are a great! <http://www.pcnp.org/>

We continue to be active with Young Life - a ministry reaches teenagers with mentoring, fun club activities, a great camp experience, and hope in God. We're on the committee for Young Life Liberty-Metro NJ. This summer, we were hosts for adult guests at the Lake Champion camp - we invite you join us to find out in person why it is "The Best Week of Your Life" for the kids. Linnea is a major fund-raiser, and we had a great fund-raising and celebration banquet this fall. <http://www.younglife.com/>

Gary has been working for Skarven Enterprises, LLC here in Murray Hill for the past two years as a computer R&D engineer. The CEO is a retired U.S. Navy admiral, and he arranged the trip of a lifetime - Gary flew out to the aircraft carrier USS George Washington for a tour and overnight stay. For photos, high tech info, AT&T Bell Labs career nostalgia, and other information, you can visit our web site at <http://www.nobell.org/>.

May you be blessed this Christmas with the peace of God through our Lord and Savior Jesus Christ. Love from

Gary & Linnea Murakami,
and our bunny "babies"
Bogey, Chibi, and Flopsy.
